er by contrast. Another good reason for not carrying goods from year to year is that the money invested is locked up and not bringing interest but depreciating all the while.

We are glad to say that our merchants have long since learned by experience this lesson and avoid the above mentioned loss by selling their goods for what they will bring and if even they cannot sell them at first cost get rid of all surplus stock and pocket the small loss and make the deficiency up on large sales of new goods.

Our reader will no doubt profit by this information and take advantage of the cut price of winter goods.

WARDS GRADED SCHOOL BUILDING CONSUMED BY FIRE.

TOTAL LOSS OF \$30,000.00.

Col. R. B. Watson is out again from his long illness to the gratification of his many friends.

Mr. C. G. Barr went last Saturday for an extended trip in Southern Fla., for the benefit of his health.

The handsome front of gray brick set in dark red cement is now being put to the bank building, which is now otherwise complete. The building will present a fine appearance inside and out.

Improvements of various kinds have been going on for some time in all parts of town and the end is not yet.

Mrs. E. R. Baggot, who has been quite sick for a week past is now very much better.

The new graded school building in our sister town, Wards, was destroyed by fire yesterday afternoon including a new piano. The building had recently been enlarged and completed. Much sympathy is expressed for Principal Whittle, and for the community generally, in this great loss.

WHIPPING POST RECOMMENDED FOR THE CITY BY JUDGE PICQUET.

Recorder Picquet was seen yesterday and asked his opinion on the recent decision in the State supreme court regarding the fining and sentencing of the prisoners by the recorder, and he had the following to say:

"What I have had to say on these questions has all come out just as I said it. I stated that where a city had a chain gang, then they could fine and have the prisoners serve time on that gang; but where the municipal city does not have a gang, then they have to serve on the county gangs."

"The best thing, however, for the municipalities," continued the judge, "will be the whipping post. I would like to see it in every town in the United States. It will decrease crime."

The judge was very strong in his ideas on the matter and expressed them as freely as he was strong. He has long been a believer in the whipping post and says that it is a good thing for any community, and that it ought not to be limited to wife beating only.
